Notice to: WARA Walk-In Clients

Dear WARA Member,

*Our WARA clinics operate strictly on appointment only basis. This is to ensure minimal waiting times and maintain a constant effective flow in our popular clinics. **If you have a medical emergency or are seriously ill please inform our reception to call one of our medical staff immediately to support you.***

To minimize future waiting times and frustrations, in any non urgent medical circumstances please call our 24 hour hotline ahead of coming to the clinic so they can schedule you an appointment which will ensure you a maximum of a 15 – 20 min. Wait. Without a scheduled appointment you may have to wait a little longer than expected to see the next available Doctor.

We hope today your wait will not be too long and thank you for your understanding of this matter.

Please remember we also have a 24 hour email service linked to our medical assistance centre for any medical inquiries, follow ups on results or booking of appointments / referrals: assist@westafrican-rescue.com

YOUR HEALTH is our PRIME CONCERN.

*Any problems, feel free to send an email: **General Manager:**
